

Managing Your Water Asset: Workshop: Tuesday 19th September 2017

Navigating Mature Water Markets & Matching your Water Use profile with appropriate supply

Murray Bridge Community Club, Sturt Reserve Rd, Murray Bridge

Chair: Alister Walsh

ICE WaRM
International Centre of Excellence
in Water Resources Management

Government of South Australia
Primary Industries and Resources SA

This Workshop aims to:

- Assist irrigators to understand the maturity and scope of the Australia water market and provide some insight as to how they make it work for them.
- Help to understand the connected nature of the Southern Murray Darling Basin and the industry dynamics across that region that could impact them.
- Introduce the concept of effective capital deployment to achieve their desired water security.
- An update on the 17/18 Seasonal outlook and the industry and other factors that may have an impact on the market.
